# Monday Coffee

## Expansion Analysis with SQL

*Solving Business Problems with SQL — City Expansion Strategy for India*

# Project Objective

**Business Goal:** Monday Coffee aims to expand by opening three coffee shops in India's top major cities.

Since launching in **January 2023**, the company sold products online and received overwhelmingly positive responses. As a data analyst, the task is to analyze sales data and recommend the **top 3 cities for physical expansion**.

## Data Source

Online Sales  
Data (2023)

## Analysis Tool

MySQL  
Database

## Output

Top 3 Cities  
for Expansion

# Easy-Medium SQL Questions

4

What is the average sales amount per customer in each city?

## City Population & Coffee Consumers

5

List of cities with populations and estimated coffee consumers.

# Medium & Advanced Questions

## Top Selling Products by City

Top 3 selling products in each city based on sales volume.

## Customer Segmentation by City

Unique customers in each city who purchased coffee products.

## Impact of Estimated Rent on Sales

Average sale per customer and average rent per customer per city.

## Monthly Sales Growth

Percentage growth or decline in sales over different months.

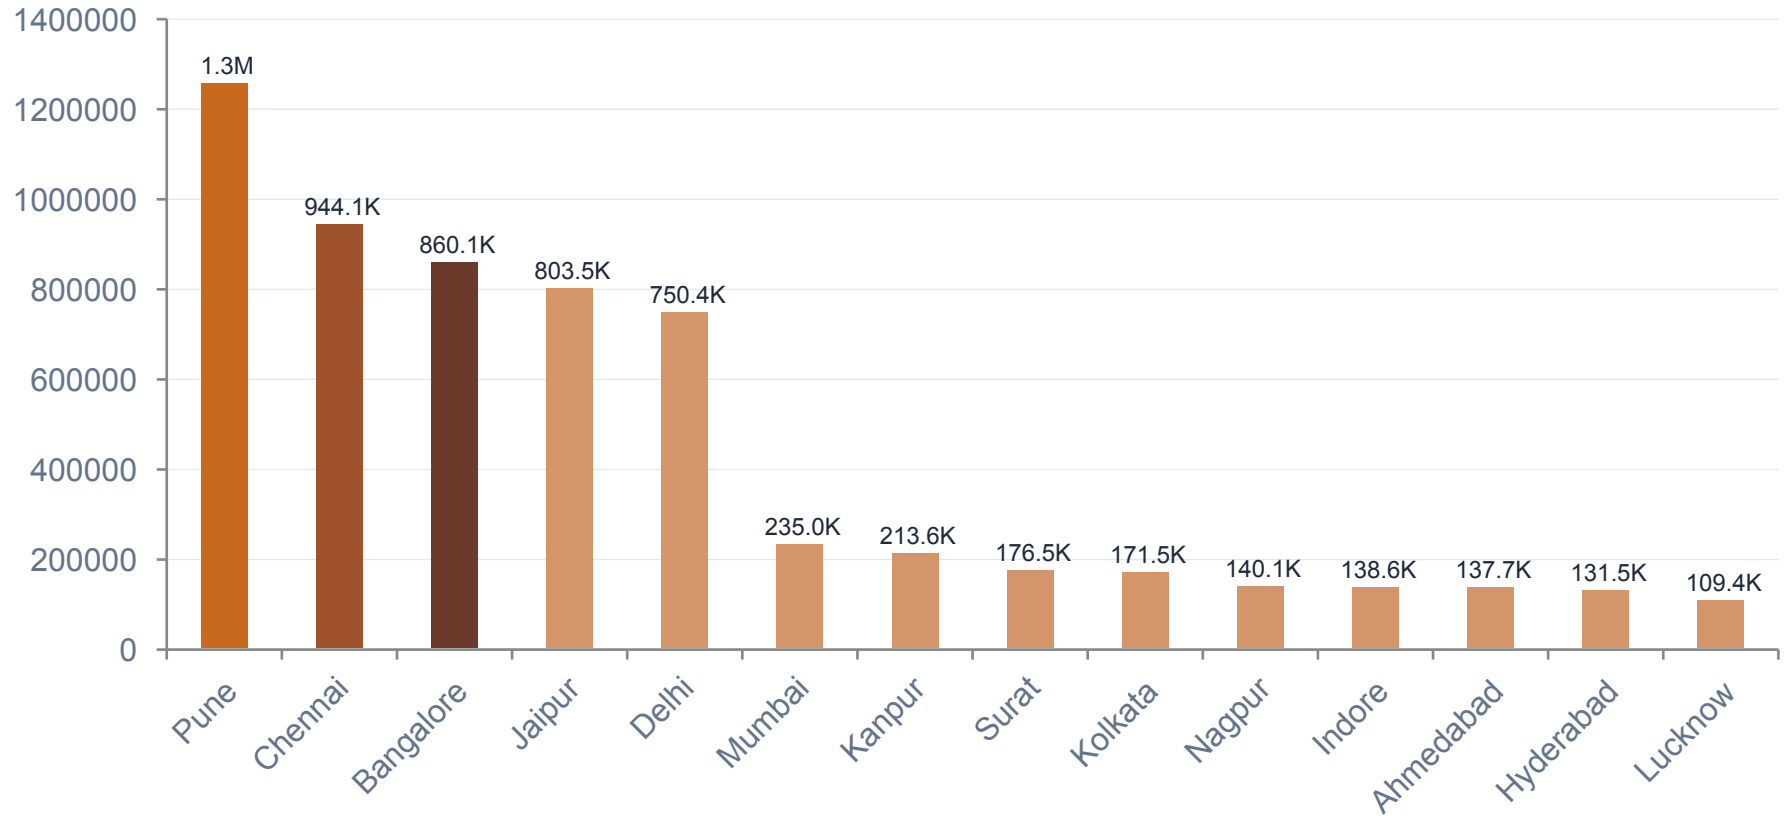

## Market Potential Analysis

Top 3 cities by sales — returns city, total sale, rent, customers & consumers.

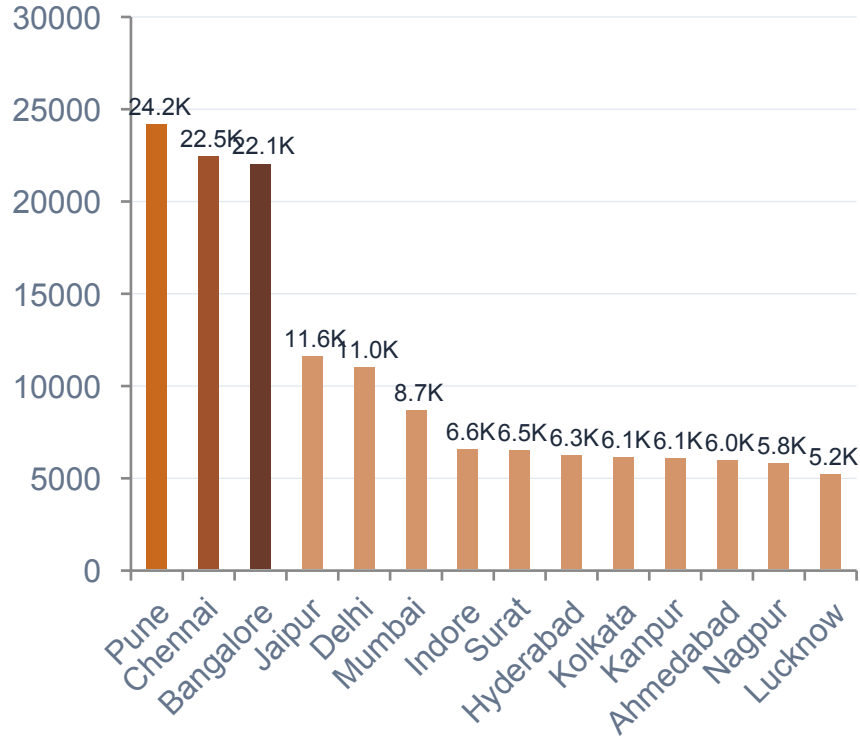

# Total Sales by City

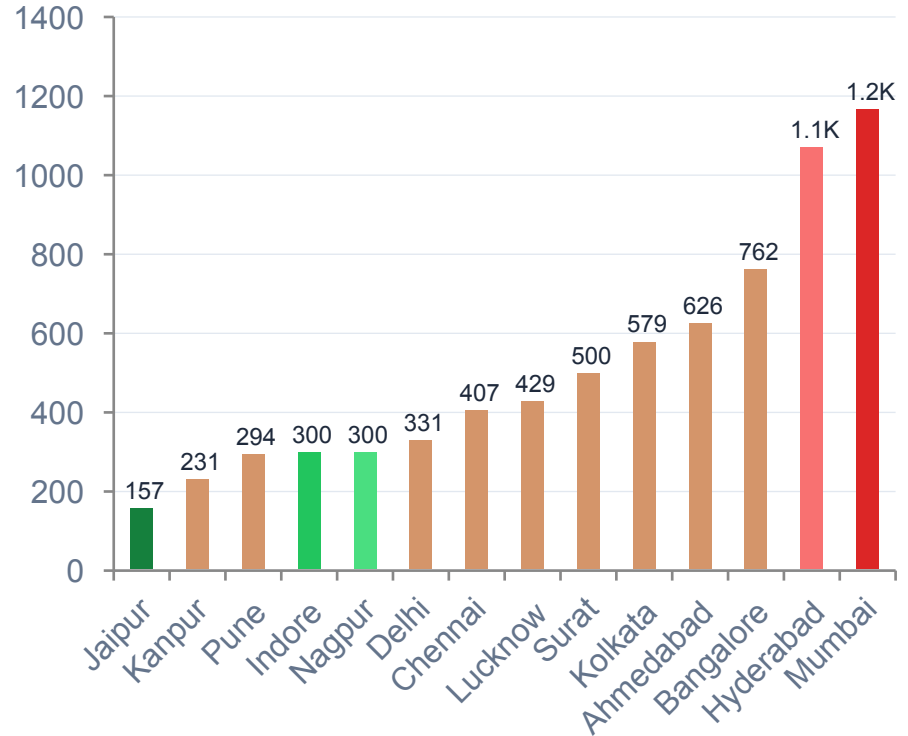

# Avg Sale per Customer vs Avg Rent per Customer

Avg Sale per Customer (₹)

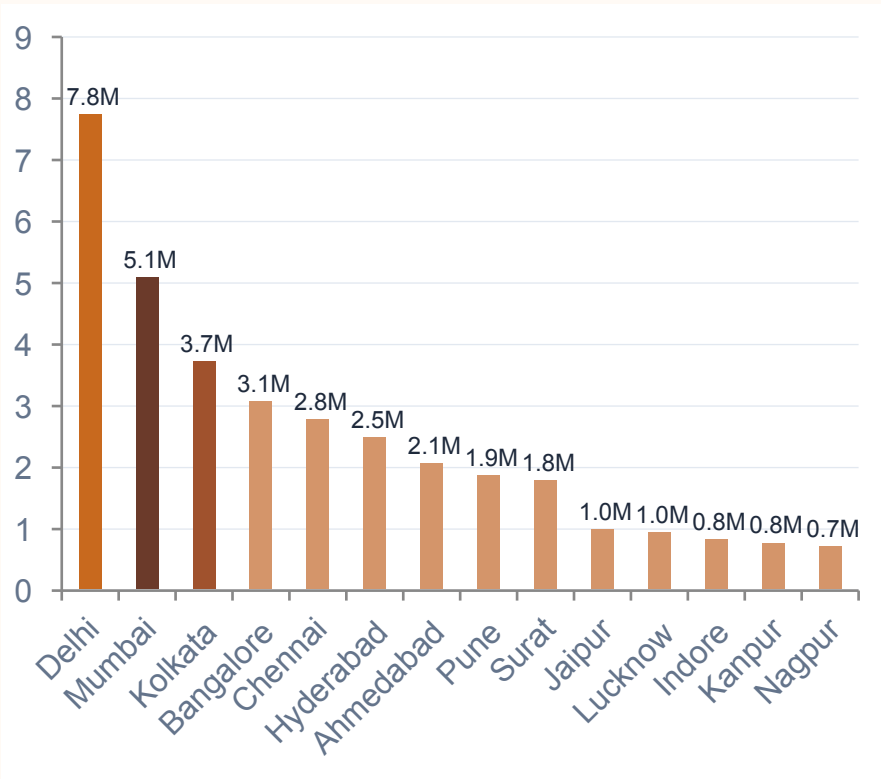

Avg Rent per Customer (₹) — Lower is Better

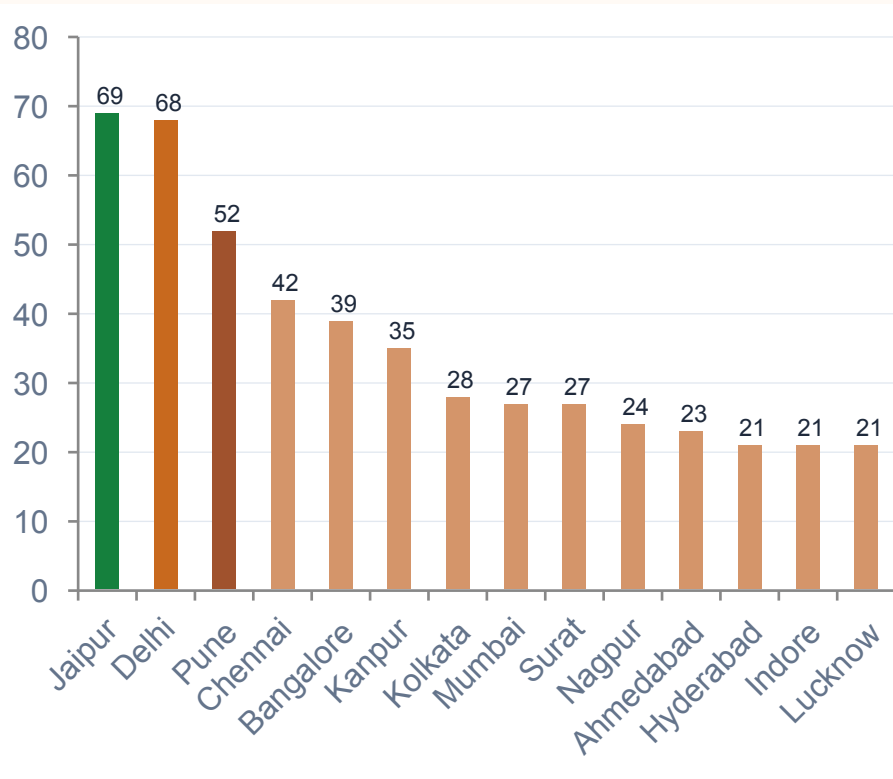

# Market Size — Consumers & Customers

## Estimated Coffee Consumers (Millions)

## Total Customers per City

# MySQL Query Result — All Cities Overview

| City      | Total Sale | Total Rent | Customers | Coffee Consumers (M) | Avg Sale/Cust | Avg Rent/Cust |
|-----------|------------|------------|-----------|----------------------|---------------|---------------|
| Ahmedabad | 137.7K     | 14.4K      | 23        | 2.08M                | 6K            | ₹626          |
| Bangalore | 860.1K     | 29.7K      | 39        | 3.08M                | 22.1K         | ₹762          |
| Chennai   | 944.1K     | 17.1K      | 42        | 2.78M                | 22.5K         | ₹407          |
| Delhi     | 750.4K     | 22.5K      | 68        | 7.75M                | 11K           | ₹331          |
| Hyderabad | 131.5K     | 22.5K      | 21        | 2.5M                 | 6.3K          | ₹1071         |
| Indore    | 138.6K     | 6.3K       | 21        | 0.83M                | 6.6K          | ₹300          |
| Jaipur    | 803.5K     | 10.8K      | 69        | 1M                   | 11.6K         | ₹157          |
| Kanpur    | 213.6K     | 8.1K       | 35        | 0.78M                | 6.1K          | ₹231          |
| Kolkata   | 171.5K     | 16.2K      | 28        | 3.73M                | 6.1K          | ₹579          |
| Lucknow   | 109.4K     | 9K         | 21        | 0.95M                | 5.2K          | ₹429          |
| Mumbai    | 235K       | 31.5K      | 27        | 5.1M                 | 8.7K          | ₹1167         |
| Nagpur    | 140.1K     | 7.2K       | 24        | 0.73M                | 5.8K          | ₹300          |
| Pune      | 1.3M       | 15.3K      | 52        | 1.88M                | 24.2K         | ₹294          |
| Surat     | 176.5K     | 13.5K      | 27        | 1.8M                 | 6.5K          | ₹500          |

# Top City Recommendations

#1

## Pune

Total Sale: ₹1.26M | Customers: 52 | Avg Rent/Cust: ₹294
